

October 1, 2020

**Effective Monday, October 19**, our hours of operation at all centers (Kids Korner, Kids Campus and Kids Korner two) will be **6:30 AM to 5:30 PM**. I apologize to any families that will be negatively impacted by this change.

We are currently experiencing a staff shortage which is compounded by the COVID-19 pandemic. In an attempt to keep our centers COVID free we choose to be diligent in our policies of cleaning, disinfecting and having parents drop off and pick up their children at the door; but these policies all require extra staff. As you can see by my Facebook post below, we are in desperate need of more staff. The reduced hours of operation are a direct result of our staff shortage. The new closing time will be in effect through the end of the calendar year.

Leslie Ellerman

Kids Korner childcare center will soon celebrate 23 years in one of the most rewarding, essential businesses to work at in Dallas Center and Adel. Our families and kiddos mean the world to us and we need your help!

Like most businesses, we are desperately trying to hire quality individuals to complete our team. If you or someone you know has a big heart and a caring personality- please share this with them.

If you have a 16 year old son or daughter that might be interested in exploring the field of education or just enjoys working with children- please please share this with them also.

We have a wide range of opportunities at Kids Korner from management positions, teachers, teacher associates, cooks, lunch break coverage and before and after school hours available as well.

The smiles, hugs and supportive parents are just a few of the benefits of working at KK. We also offer part-time positions, full-time positions (including 4x10 hour days), paid holidays, PTO, holiday bonuses, above average pay and half price childcare.

Thank you in advance for sharing and helping to ensure that KK can continue serving all the children needing care in our communities for many more years to come.

Kids First,  
Leslie Ellerman

Like many of you, I continue to have hope that things are going to turn around and 2021 will look much different.

Kids First!

**Leslie**
